Subject: **Filing of Notice of Determination in Compliance with Section 21108 or 21152 of the Public Resources Code**

Project Title: Addendum to Phase 2 Yettem Water Supply Well and Transmission Mains Initial Study and Negative Declaration

State Clearinghouse Number: 2018081099

Contact Person: Hector Guerra **Telephone Number:** 559-624-7121

Project Location: Community of Yettem in unincorporated Tulare County

Project Description: A Mitigated Negative Declaration (MND) was prepared and a Notice of Determination (NOD) filed in December 2018 for the Phase 2 Yettem Water Supply Well and Transmission Mains Project. The project consists of the development of a new well in Yettem ("Yettem Well 3"), the interconnection (via anew, underground water pipeline) of that well with an existing well and water storage tank in Yettem ("Yettem Well 1"), the installation of new water meters in Yettem, and the interconnection of the Yettem and Seville water systems. This current Project consists of only the following new components that were not part of the original project: Yettem storage tank site improvements and emergency standby generator; new water services and meters (approximately 26 connections) along the original interconnection pipeline, including on-site private lateral pipes to connect to existing homes; integration of the Yettem and Seville pump station sites using a Supervisory Control and Data Acquisition (SCADA) system; and Water fill station at Seville tank site.

This is to advise that the **TULARE COUNTY BOARD OF SUPERVISORS**, as Lead Agency Responsible Agency, has approved the above-described project on N/A , and has made the following determinations regarding the above-described project:

7. The project [will will not] have a significant adverse impact on the environment.

8. A Final Environmental Impact Report, Mitigated Negative Declaration, Negative Declaration

was prepared for this project pursuant to the provisions of CEQA.

- 9. Mitigation Measures [were were not] made a condition of approval of this project.
- 10. A Mitigation Monitoring and Reporting Plan [was was not] adopted for this project.
- 11. A Statement of Overriding Considerations [was was not] adopted for this project.
- 12. Findings [were were not] made pursuant to the provision of CEQA.

This is to certify that the environmental document and record of project approval is available to the General Public and may be examined at: Tulare County Resource Management Agency, 5961 S Mooney Blvd., Visalia CA 93277.
