State Clearinghouse No. 2023080613

Project Title: Permit No. 19843 Broadband Initiative Project – State Route 168 Crossing Dog Creek at Culvert # 421684001415 in Fresno County

Project Applicant (if any): California Department of Technology

Project Location/Address/City/County: The project is located on State Route 168 at approximately 36.86670°N, 119.57771°W, crossing the box culvert (#421684001415) at Dog Creek, in the city of Clovis, Fresno County.

Description of Nature, Purpose, and Beneficiaries of Project: To install one (1) 2-inch diameter Fiber Optic Conduit (FOC) housing fiber optic cables crossing beneath the Dog Creek box culvert at Postmile 14.065. The FOC will be installed by horizontal directional drilling method under the existing 7.25 feet by 8.3 feet concrete culvert. The FOC installation will transition into 2 feet to 6 feet deep open trench (4.2 feet typical depth) on each end of the culvert from Postmile 6.9 to Postmile 18.55.

Public Agency Approving Project: Central Valley Flood Protection Board (Board)

Public Agency/Person Carrying Out Project: California Department of Transportation

Exempt Status:

- Ministerial (Sec. 21080(b)(1); 15268);
- Declared Emergency (Sec. 21080(b)(3); 15269(a));
- Emergency Project (Sec. 21080(b)(4); 15269(b)(c));
- Common Sense Exemption (CEQA Sec 15061(b)(3))
- Categorical Exemption. State type and section number: § 15303 and § 15304
- Statutory Exemption. State code number: 201080.51.

Reasons Why Project is Exempt:

The project is statutorily exempt under the provisions of CEQA. The Board's approval involves issuing an encroachment permit for the installation of a Broadband Network Infrastructure on State Route 168 crossing Dog Creek Bridge culvert, which is exempt under the statutory exemption of the CEQA Public Resources Code Section 21080.51. In addition, the Board has determined that the project is exempt from CEQA under the Class 3, New Construction or Conversion of Small Structures categorical exemption (CEQA CCR, Title 14, Section 15303), because the activity consists of the installation of utility extensions. The project is also exempt under the Class 4, Minor Alterations to Land categorical exemption (CEQA CCR, Title 14, Section 15304), because the project involves minor public alterations in the condition of the land which does not involve the removal of healthy, mature, or scenic trees. Further, none of the exceptions to the exemption in CEQA CCR, Title 14, Section 15300.2 apply.
