Re: Domestic Water Service to Lots 7 through 10 of the Sales Map of Lands of Kern County Land Company, within the N.W. Quarter of Section 24, T. 30 S., R 26 E., M.D.B.&M., containing **apx. 80.45 gross acres**, located at the Northeast corner of the intersection of South Allen Road and Pensinger Road.

Dear Whitney,

This is not and should not to be considered as a "Will Serve Letter" but only as verification that the property is located within or adjacent to the City of Bakersfield Domestic Water System Area boundary. The "Will Serve Letter" may be produced for **final** map requirements after signature of the Domestic Water Service Agreement by the property owner(s) and payment of all fees.

City of Bakersfield
Water Resources Department

Tylor S. Hester
Domestic Water Supervisor
