<u>Patriot High School Stadium Improvements Project</u>		
Project Title		
<u>2023080728</u>	<u>Robin Griffin</u>	<u>(951) 361.6571</u>
State Clearinghouse Number (If submitted to Clearinghouse)	Contact Person	Area Code/Telephone/Extension

Project Location:
 Patriot High School (HS) is located at 4355 Camino Real in the City of Jurupa Valley in the northwestern side of Riverside County. The proposed project encompasses approximately 11.3 acres of the southern half of campus, of the approximately 50-acre campus. The proposed project would disturb up to 1.65 acres of the project site and would not impact other areas of the campus. Regional access to the Patriot HS campus is provided by State Route (SR) 60 located 0.35 miles north of the project site and Interstate 15 located approximately 6 miles west. Patriot HS is bounded by Mission Boulevard to the north, Camino Real and single-family residential uses to the east, Jurupa Road to the south, and Bethel Road and Garth Street to the west. The project site is bound by Patriot High School campus to the north, softball diamonds to the east, Jurupa Road to the south, and a baseball diamond and a campus parking lot to the west.

Project Description:
 The stadium improvements would be constructed in three phases. The proposed project would construct new stadium lights, a new scoreboard, new home and visitor bleachers, a 3,000 square foot concession/restroom building, and a metal screen. The bleacher capacity would increase from 585 seats to 3,530 seats (combined home and visitor bleachers). The new stadium lighting would be installed surrounding the track and field and the varsity baseball field. The proposed project would generate an additional 20 events per season (60 events per year) at the stadium and up to an additional 15 events on the varsity baseball field.
