Project Title: Power Enhancement at CDTFA 450 N Street, Sacramento

Project Location – Specific: 450 N Street

Project Location – City: Sacramento

Project Location – County: Sacramento

Description of Nature, Purpose, and Beneficiaries of Project:

The project consists of adding and upgrading electrical power service to three areas of the ground floor at 450 N Street, rooms 129, 135, and 140. The project includes adding a new sub-panel, numerous new circuits, new disconnects, new outlets, modifying existing outlets, and minor demolition. All work and waste disposal will comply with existing applicable laws, regulations, and ordinances governing work and the work will involve wire cutting, and ceiling and wall finishing. The project would provide infrastructure needed to energize office equipment in areas not readily available.

Name of Public Agency Approving Project: California Department of Tax and Fee Administration

Name of Person or Agency Carrying Out Project: Department of General Services, Real Estate Services Division

Exempt Status: Categorical Exemption Section 15301 Existing Facilities

Reasons Why Project is Exempt:

The project qualifies for Class 1 exemption where repair, maintenance, or minor alterations of existing public structure involves negligible or no expansion of existing use. The State confirms that the project involves negligible expansion of use beyond that existing at the time of the lead agency's determination. The project will not have a significant effect on resources in the area.
