Project Title: Corporation Yard Project

Project Applicant: Sacramento Area Flood Control Agency (SAFCA)

Project Location (include county): 1-mile north of the City of West Sacramento and approximately 1,850'

Project Description:

The proposed project includes construction of a 6,000-square-foot Corporation Yard building on top of the existing CAMU as well as site improvements to help manage the capture and conveyance of storm water at the project site. The proposed use for the Corporation Yard building is to house RD 537 equipment to be used for levee and drainage maintenance, provide a location to perform maintenance of their equipment, and provide office space for levee and drainage maintenance activities.

This is to advise that the Sacramento Area Flood Control Agency has approved the above (Lead Agency or Responsible Agency)

described project on 11-16-2023 and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
