

NOTICE OF EXEMPTION

TO: County Clerk, County of Contra Costa
555 Escobar Street, Martinez, CA 94553

FROM: Central Contra Costa Sanitary District (Central San)
5019 Imhoff Place, Martinez, CA 94553 (925) 229-7255
**LEAD AND APPROVING AGENCY; PROJECT APPLICANT;
PARTY UNDERTAKING PROJECT**

PROJECT TITLE: 2023 Martinez Urgent Force Main Replacement, DP 100066

PROJECT LOCATION-SPECIFIC: Each force main is roughly a mile in length and situated on easements just north of Marina Vista Avenue in Martinez and along the Union Pacific Railroad’s (UPRR) right-of-way prior to entering the Martinez Refining Company’s (MRC) secured facility as shown in Attachment 1.

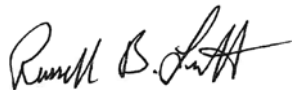

PROJECT LOCATION-CITY AND COUNTY: Martinez, Contra Costa County

PROJECT DESCRIPTION: In 1968, dual 20-inch cement mortar-lined and coated steel force mains were constructed from the Martinez Pump Station eastward to a discharge structure located within the Martinez Refining Company’s (MRC) property as segment of network to convey raw wastewater to Central San’s wastewater treatment plant on Imhoff Drive in Martinez. After the discovery of several corrosion locations, staff and consultants designed a project to remove and replace the last 650 feet of both existing force mains. This project will remove the medium to more severe corroded sections and replace all the force mains on UPRR’s right-of-way and MRC’s property. The new pipeline is designed using PVC and will be installed within steel casings for the aerial crossings.

EXEMPT STATUS: CEQA Guidelines Sections 15302

REASONS WHY PROJECT IS EXEMPT: At its September 7, 2023, meeting, the Central San Board of Directors independently found this project is exempt from the California Environmental Quality Act (CEQA) under Central San's CEQA Guidelines Section 15302, since it involves replacement of existing public facilities at the same location and with the same purpose.
