STATE CLEARINGHOUSE

City of California City
21000 Hacienda Boulevard
California City, CA 93505

Referencing State Clearinghouse # 2023100769

The California Highway Patrol, Mojave Area is in receipt of the "Notice of Environmental Impact" document regarding project number #2023100769, by applicant Arrow Engineering Services, Inc., for an 80,000 square-foot Commercial Cannabis Cultivation Project. Following the review of the project, we have identified concerns with the potential impact this project could impose on public safety and law enforcement.

Our concerns relate to the expansion of the commercial cannabis production and the potential for rise in crime resulting in an increase of calls for service with limited law enforcement resources. These safety concerns pose a safety risk to both the public and law enforcement. We are hopeful diligent security measures are proposed, established, and followed by Arrow Engineering Services, Inc., which will assist in protecting the public and law enforcement.

Sincerely,

A handwritten signature in blue ink, appearing to read "M. D. Pagano".

M. D. PAGANO, Lieutenant
Commander
Mojave Area

cc: Inland Division
