Project Title: Oasis Ramp It Up

Project Applicant: California Department of Transportation

Project Location - Specific:
Shasta County Interstate 05 Post-mile 19.4

Project Location - City: Redding Project Location - County: Shasta

Description of Nature, Purpose and Beneficiaries of Project:
The California Department of Transportation (Caltrans), using state funds, proposes to redesign roadside gutters and curb ramps for stormwater collection to prevent water sheeting across the onramp. The nonstandard overside drain will be replaced and brought up to Caltrans standards to allow additional flow off the roadway. The curb return will be extended, and the pull box will be raised to grade to allow stormwater to flow into the planted areas. A break will be made in the dike opposite the curb return to allow stormwater to enter the planted area and an overside drain will be added, if necessary.
