Project Name (if applicable): DDO – Repair Damaged Signs/Pavement Route Shields

DIST-CO-RTE: 11-SD-VARIOUS

PM/PM: VARIOUS

Project Description

On various routes including 8, 15, 52, 76, 78,79, 94, 188 and 805 in the County of San Diego, the proposed project would repair signs and pavement route shields that have been damaged due to recent storms. The damaged signs are ineffective and non-functional which impacts the flow of traffic and creates confusion for road users. The pavement route shields are also damaged and not legible to motorists. Traffic control will be needed. Any project changes will require further Environmental analysis. See the ECR for further commitments. No new right of way required.
