Notice of Availability

Draft Finding of No Practicable Alternative (FONPA) for a New Tertiary Wastewater Treatment Plant at the Marine Corps Air Ground Combat Center

In accordance with Executive Order (E.O.) 11988 – *Floodplain Management* and E.O. 11990 – *Protection of Wetlands*, the U.S. Marine Corps’ Marine Air Ground Task Force Training Command (MAGTFTC) has prepared a public notice for the proposed tertiary wastewater treatment plant at the Combat Center.

A Draft FONPA is available for public review from **26 September 10 October 2023**. Public comments would be considered during the project design process. This will be the only opportunity for public review and comment on the proposed action.

- An electronic copy is available from the State Clearinghouse – <https://ceqanet.opr.ca.gov/>
- An electronic copy is being posted on the Combat Center webpage under “Environmental Documents” at – <https://www.29palms.marines.mil/Staff-offices/Environmental-Affairs/>
- For those without electronic access, a limited number of hardcopies are available on request.

Please **submit comments by 10 October** using any of the methods listed below.

- Email: smb-plms-isdea@usmc.mil
- Phone: (760) 830-8190
- Mail. Per Combat Center mailroom protocol, please address letters as follows:

LIEUTENANT COLONEL DUCKWORTH
