Project Title: Inyo County 2023 Regional Transportation Plan

Project Applicant: Inyo County Local Transportation Commission

Project Location (include county): Inyo County

Project Description:

The purpose of the Regional Transportation Plan (RTP) is to provide a transportation vision for the region, supported by goals, for 10- and 20- year planning horizons. This is accomplished by identifying regional transportation related needs and issues, reaffirming the region's goals, objectives, and policies, and developing and prioritizing a list of improvements to create a finally constrained plan. Specific environmental impacts of proposed projects will be addressed and mitigated on an individual basis.

This is to advise that the Inyo County Local Transportation Commission has approved the above (Lead Agency or Responsible Agency)

described project on Nov 29, 2023 and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were not made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was not adopted for this project.
5. A statement of Overriding Considerations was not adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
