PROJECT TITLE: Consideration of Environmental Assessment No. 2023-18 prepared for Conditional Use Permit Application No. 2023-08

PROJECT LOCATION: 1752 10th Street, Reedley, CA 93654 (APN 368-162-16T)

EXEMPT STATUS: Categorical Exemption

PROJECT DESCRIPTION: Conditional Use Permit Application No. 2023-08 pertains to the installation of microwave dish antennas, radios and a panel antenna on the existing Downtown Reedley Twin Water Towers located at 1752 10th Street (APN 368-162-16T). The equipment purposed to be installed would be within the existing mounts and railings on the towers.

This project is exempt under Section 15301 (Class 1/Existing Facilities) of the California Environmental Quality Act (CEQA) Guidelines.

EXPLANATION: Section 15301 (Existing Facilities) exempts projects that consist of the operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features. Specifically, the addition of safety or health protection devices for use in conjunction with existing structures, facilities, or mechanical equipment. In the instant, the applicant proposes to install communication equipment on an existing public structure to support the public's access to wireless internet.

The proposed project will involve the installation of communication equipment to an existing unmanned telecommunication wireless facility, which is an exemption characterized under Section 15301 (Class 1/Existing Facilities) of the CEQA Guidelines.
