SUBJECT: SCHEDULE NUMBER 2023100145 - RECIRCULATED NOTICE OF PREPARATION FOR AQUABELLA SPECIFIC PLAN AMENDMENT

Dear Ms. Vaba:

On October 4, 2023, the City of Moreno Valley submitted a Notice of Preparation for the proposed Aquabella Specific Plan Amendment, and it was assigned Schedule Number 2023100145. The CEQA-mandated 30-day public review period commenced on October 6, 2023 and was due to end on November 6, 2023.

As a result of changes to the project description and to correct a technical matter, the City has prepared and submitted a Recirculated Notice of Preparation, along with the corresponding Recirculated Notice of Completion, and Recirculated Summary Form in order to restart the public review period. With this, please accept this letter pursuant to your instructions as our formal request to withdraw the previous Notice of Preparation submittal and replace it with the Recirculated Notice of Preparation that was submitted today. The new CEQA-mandated 30-day public review period shall commence today (October 25, 2023) and ends on November 27, 2023.

Should you have any questions regarding this matter, please do not hesitate to contact me directly at (951) 413-3235 or via email at oliverm@moval.org.

Respectfully,
