Notice of Intent to Adopt a Mitigated Negative Declaration

As lead agency under the California Environmental Quality Act, the Port of Stockton is providing this Notice of Intent to adopt a Mitigated Negative Declaration (MND) assessing the potential environmental effects associated with the following project:

BWC MOTEMS-Compliant Marine Oil Terminal and Berthing System Development Project

The proposed project is located on Port Road 5 in the East Complex of the Port of Stockton in Stockton, California.

The proposed project involves constructing a new permanent MOTEMS-compliant dock to support long-term marine shipments of renewable diesel and biodiesel to BWC's existing terminals at the Port of Stockton. The Initial Study (IS)/MND is available for review at the Port of Stockton (2201 West Washington Street, Stockton, California 95203), and an electronic copy of the IS/MND is available for review at <https://www.portofstockton.com/ceqa-documents/>. The review period begins October 4, 2023, and ends November 2, 2023. The Port of Stockton is holding a combined in-person and virtual public meeting for the project on Thursday, October 19, 2023, in the Port of Stockton's Commission Board Meeting Room located at 2201 West Washington Street. An in-person and virtual presentation will start at 5:00 p.m. followed by an in-person open house in the same location starting at approximately 5:30 pm and concluding at 7:00 p.m. Information on how to register for the meeting is available at <https://www.portofstockton.com/ceqa-documents/>. Please submit your comments on the IS/MND by email to ceqa@stocktonport.com or by mail to Jason Cashman, Environmental & Regulatory Affairs Manager, Port of Stockton, 2201 West Washington Street, Stockton, California 95203.

Emails must be received by November 2, 2023. Comment letters must be postmarked by November 2, 2023. If you have any questions, please contact Jason Cashman by email (above) or phone at (209) 946-0246.
