Project Title: Geotechnical Investigation for Madison Community Services District Water System Improvements Project

Project Applicant: Madison Community Services District

Project Location - Specific:

**Unincorporated Town of Madison: Huribut, Quincy, Main, Archer, & Rudolph Streets**

Project Location - City: \_\_\_\_\_ Project Location - County: Yolo

Description of Nature, Purpose and Beneficiaries of Project:

The Project will conduct a geotechnical investigation utilizing a truck-mounted drill rig and solid flight or hollow stem augers and mud rotary (below groundwater) at 14 locations in the Town of Madison. Drilling will primarily be conducted within the right-of-way along Huribut, Quincy, Main, Archer, and Rudolph streets. Additional potential drilling locations are west of Road 89, the southeast corner of vacant parcel 049-462-011, and within the Madison CSD treatment system equipment area on parcels 049-455-007 and 049-456-008. The purpose of the subsurface testing is to obtain the engineering properties of the soil and rock to assist with final design and construction of proposed Madison Community Services District water system improvements.

Name of Public Agency Approving Project: Madison Community Services District

Name of Person or Agency Carrying Out Project: Madison Community Services District

Exempt Status: (check one):

- Ministerial (Sec. 21080(b)(1); 15268);
- Declared Emergency (Sec. 21080(b)(3); 15269(a));
- Emergency Project (Sec. 21080(b)(4); 15269(b)(c));
- Categorical Exemption. State type and section number: 15306. Information Collection
- Statutory Exemptions. State code number: \_\_\_\_\_

Reasons why project is exempt:

Potential impacts to special-status species and their habitats are not anticipated because the majority of the work will be conducted within the road right-of-way and areas that are developed. In addition, the Project will implement recommended Avoidance, Minimization, and Mitigation Measures from the Yolo Habitat Conservation Plan/Natural Community Conservation Plan. All work will be temporary and drilling locations will be restored to pre-Project conditions. The Project would not result in an exception to the categorical exemption.

Lead Agency
