Project Title: OES Headquarters Security Upgrades
Project Location – Specific: 3650 Schriever Avenue
Project Location – City: Mather
Project Location – County: Sacramento

Description of Nature, Purpose, and Beneficiaries of Project:

The project proposes to upgrade the existing security access control systems at the OES Mather Headquarters buildings, specifically replacing and providing new CCTV cameras, card readers, and other required hardware to support the security software upgrade. New cables will be provided for camera upgrades and existing conduit and conductors will be reused. Existing wiring and equipment considered scrap will be properly disposed according to current laws, rules, and regulations. The project will update and improve security surveillance at an essential service facility.

Name of Public Agency Approving Project: Governor's Office of Emergency Services

Name of Person or Agency Carrying Out Project: Sabina Wiley, Project Director I, DGS/RES/PMDB

Exempt Status:

- Ministerial (§ 21080(b)(1); 15268)
- Declared Emergency (§ 21080(b)(3); 15269(a))
- Emergency Project (§ 21080(b)(4); 15269(b)(c))
- Statutory Exemption
- Categorical Exemption Section 15301 Existing Facilities

Reasons Why Project is Exempt:

The project qualifies for Class 1 exemption where minor alterations of an existing public structure involves negligible or no expansion of existing use. The State confirms that no exceptions apply that would preclude use of the exemption.
