### Re: SCH # 2023100565 Samoa Peninsula Waterline Right-of-Way Maintenance Project

To Office of Planning and Research:

The Humboldt Bay Municipal Water District, Lead Agency, is carrying out the Samoa Peninsula Waterline Right-of-Way Maintenance Project (SCH # 2023100565). The Notice of Preparation was submitted to the Office of Planning and Research and filed with the Humboldt County Clerk. The 30-day comment period began on October 20, 2023. The Humboldt Bay Municipal Water District is in the process of notifying adjacent property owners about the Project, and would like to extend the comment period by two weeks to close on December 4, 2023 and 5:00 pm, to ensure adequate time for additional comments to be received.

If you have any questions regarding the Project, please contact us.
