Present Land Use/Zoning/General Plan Designation:

Garage converted to a dwelling. Zoning: Open Space-Scenic Combining. Gen Plan: Public Facilities

Project Description: *(please use a separate page if necessary)*

Applicant seeks to rezone a property to Low Density Residential. This also requires a General Plan Amendment. The applicant had bought a lot with a building that was illegally converted to a dwelling believing that the dwelling could be used as a dwelling, however dwellings are not a permitted use under the current Open Space zoning, thus the rezone / General Plan Amendment was necessary.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
