Project Title: Heritage Ranch Water Resource Recovery Facility Project

Project Applicant: Heritage Ranch Community Service District (HRCSD)

Project Location (include county): Lake Nacimiento, San Luis Obispo County

Project Description:

The project includes upgrades to the existing HRCSD water treatment plant and spray field to comply with Waste Discharge Order No. R3-2017-0026. In addition, a new, eight-inch diameter effluent pipeline would be installed along Heritage Road and Gateway Drive to replace the existing, aging six-inch diameter pipeline. The project is intended bring the existing system into compliance with water quality standards and provide capacity to service existing and planned growth.

This is to advise that the Heritage Ranch Community Service District has approved the above (Lead Agency or Responsible Agency)

described project on 1/18/2024 and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
