

PUBLIC NOTICE

Notice of Intent to Adopt a NEGATIVE DECLARATION, ANNOUNCEMENT of a VIRTUAL PUBLIC MEETING and Availability of Section 4(f) de minimis findings

(Study Results Available)

North Lone Pine Pavement

PUBLIC COMMENT PERIOD

Comments will be accepted from November 10 to December 9, 2023.

If there are no major comments, Caltrans will proceed with the project's design.

WHAT IS BEING PLANNED?

The California Department of Transportation (Caltrans) proposes to rehabilitate pavement, enhance complete street facilities, upgrade existing drainage facilities, and perform other work on U.S. Route 395, from post miles 57.90 to R59.00, in Inyo County.

WHY THIS PUBLIC NOTICE?

Caltrans has studied the effects this project may have on the environment. Our studies show the project will not significantly affect the quality of the environment. The report that explains why is called an Initial Study with Proposed Negative Declaration. This notice is to inform you of the preparation of the Initial Study with Proposed Negative Declaration and of its availability for you to read and comment on. A virtual public meeting will be held to give you an opportunity to talk about certain design features of the project with Caltrans' staff before the final design is selected. In addition, this notice is to inform you of Caltrans' determination of de minimis impacts for two Section 4(f) resources (Spainhower Park and Lone Pine Sports Complex) found within the North Lone Pine Pavement project limits. Please visit the following website for more information: <https://dot.ca.gov/caltrans-near-me/district-9/district-9-projects-list/north-lone-pine-pavement-project>
