Dear State Clearinghouse,

I recently published an NOE for Development Permit No. P23-03512 (SCH 2023110310). It was brought to my attention that the NOE should include language pertaining to the proposed number of electric vehicle charging stations (EVCS). I ask that you please replace the previously published NOE with the revised NOE that accompanies this document. Please let me know if you have any questions.

Thank you,
