Project Description:

The project would construct approximately 1,600 feet of Class I shared use path (pedestrian, bicycle) with associated trailhead improvements. The project would provide a safe walking and biking route from Edwards Drive to Davis Street and provide opportunities for nature study and recreation. The trail would be an asphalt-concrete, with a ten-foot wide paved trail with two-foot gravel shoulders on each side. The trail may be narrowed to 8-foot minimum paved width in limited locations.

This is to advise that the Eel River Trail Project has approved the above (Lead Agency or Responsible Agency)

described project on January 16, 2024 and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at: City of Rio Dell City Hall at 675 Wildwood Avenue, Rio Dell, CA 95562
