Present Land Use/Zoning/General Plan Designation:

Severel

Project Description: *(please use a separate page if necessary)*

The Project will establish the Westside Area Plan as part of the County General Plan. The WSAP is a community-based plan that will guide regional growth through horizon year 2045 within the Westside Planning Area. The primary Project components include the following: General Plan Amendment No. RPPL2023002433. The General Plan Amendment would incorporate the WSAP as part of the County General Plan. It defines goals and policies for the unincorporated Planning Area communities of Ladera Heights, View Park, and Windsor Hills, and West Fox Hills. Zone Change No. RPPL2023002450. The zone change would update the zoning map for the Planning Area to maintain consistency with the Land Use Policy Map and incorporate proposed rezoning identified in the Housing Element to meet the RHNA goals for the County. Advanced Planning Case No. RPPL2023002448. Title 22 (Planning and Zoning) of the County code would establish a Planning Area Standards District specifying development standards applicable to all unincorporated communities in the Planning Area and would include community-specific standards.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
