STATE CLEARINGHOUSE

CEQA Filing Fee No Effect Determination

Applicant Name and Address: City of Pacifica, 540 Crespi Drive, Pacifica, CA 94044

CEQA Lead Agency: City of Pacifica

Project Title: Housing Element Update 2023-2031

CEQA Document Type: Certified Regulatory Program Document

State Clearinghouse Number and/or local agency ID Number: 2023110438

Project Location: The project is a policy document, and the location is citywide.

Brief Project Description: The Proposed Project is the City of Pacifica Housing Element Update - 2023-2031 which would amend the General Plan to comply with requirements of the 6th Cycle Regional Housing Needs Allocation (RHNA). The Housing Element Update would incorporate into the City of Pacifica's General Plan goals, policies, and programs for housing and action programs which detail the actions to be taken by the City to respond to the community's evolving housing needs. Site-level General Plan amendments and rezoning would be undertaken in a subsequent program following adoption of the Housing Element Update.

Determination: Based on a review of the project as proposed, the Department of Fish and Wildlife has determined that for purposes of the assessment of CEQA filing fees (Fish & G. Code, § 711.4, subd. (c)) the project has no effect on fish, wildlife or their habitat and the project as described does not require payment of a CEQA filing fee. This determination does not in any way imply that the project is exempt from CEQA and does not determine the significance of any potential project effects evaluated pursuant to CEQA.

Please retain this original determination for your records. Local lead agencies are required to file two copies of this determination with the county clerk at the time of filing the Notice of Determination (NOD) after the project is approved. State lead agencies are required to file two copies of this determination with the Governor's Office of Planning and Research (i.e., State Clearinghouse) at the time of filing the NOD. If you do not file a copy of this determination as appropriate with the county clerk or State Clearinghouse at the time of filing the NOD, the appropriate CEQA filing fee will be due and payable.
