NOTICE OF INTENT TO ADOPT A MITIGATED NEGATIVE DECLARATION **November 17, 2023**

NOTICE IS HEREBY GIVEN that the County of San Diego, Department of Parks and Recreation (DPR), as lead agency under the California Environmental Quality Act (CEQA), is circulating for public review a Draft Mitigated Negative Declaration (MND) for the Tijuana River Valley Regional Park Habitat Restoration Plan (Proposed Project).

Project Location: The Project area is approximately 1,740 acres within DPR's Tijuana River Valley Regional Park (TRVRP). The TRVRP is bound to the north by Sunset Avenue, to the south by the U.S.-Mexico International Border, to the west by Border Field State Park and the Tijuana River National Estuarine Research Reserve (TRNERR), and to the east by Dairy Mart Road and the residential community of San Ysidro (except for the part of the Dairy Mart Ponds that extend further east between the Interstate 5 (I-5) corridor and Camino de la Plaza).

Project Description: The Proposed Project is a Habitat Restoration Plan (HRP) for restoration activities on primarily County-owned or managed parcels located within the TRVRP. The goal of the HRP is to identify, prioritize, and implement phased large-scale restoration. By developing a comprehensive HRP, invasive non-native plant species would be targeted for removal, and native plant restoration would occur over several independent phases.

Availability: The Draft MND can be downloaded and reviewed online at: <http://www.sdparks.org/content/sdparks/en/AboutUs/Plans/public-review-documents.html> or in person at the following locations: County of San Diego, Department of Parks and Recreation, 5500 Overland Avenue, Suite 410, San Diego, California 92123 or San Diego County Library Imperial Beach, 810 Imperial Beach Boulevard, Imperial Beach, California 91932

Comments: Written comments regarding the Draft MND should be directed to Megan Doran, Project Manager, County of San Diego, Department of Parks and Recreation, 5500 Overland Avenue, Suite 410, San Diego, California 92123, or emailed to CountyParksCEQA@sdcounty.ca.gov and must be received **no later than December 18, 2023** (a 31-day public review period from November 17, 2023 – December 18, 2023).
