

**TO:** Office of Planning and Research  
 State Clearinghouse  
 P.O. Box 3044, Room 113  
 Sacramento, CA 95812-3044

**FROM:** Central Valley Flood Protection Board  
 3310 El Camino Avenue, Suite 170  
 Sacramento, CA 95821

**Project Title:** Permit No. 19537 - Private Septic System and Monitoring Well

**Project Applicant (if any):** Chandra Teja Kilaru

**Project Location/Address/City/County:** The project is located at 2553 Garden Highway in Sacramento, in Sacramento County.

**Description of Nature, Purpose, and Beneficiaries of Project:** To install a septic system and monitoring well along the left (east) bank of the Sacramento River.

**Public Agency Approving Project:** Central Valley Flood Protection Board (Board)

**Public Agency/Person Carrying Out Project:** Chandra Teja Kilaru

**Exempt Status:**

- Ministerial (Sec. 21080(b)(1); 15268);
- Declared Emergency (Sec. 21080(b)(3); 15269(a));
- Emergency Project (Sec. 21080(b)(4); 15269(b)(c));
- Common Sense Exemption (CEQA Sec 15061(b)(3))
- Categorical Exemption. State type and section number: § 15303, 15304
- Statutory Exemption. State code number: \_\_\_\_\_

**Reasons Why Project is Exempt:**

The Board has determined the project is exempt from CEQA under the Class 3, New Construction or Conversion of Small Structures categorical exemption (CEQA California Code of Regulations, Title 14, Section 15303), because the proposed project involves the construction of a limited number of new small facilities or structures (a new private/domestic septic system and monitoring well). The project is also exempt under the Class 4, Minor Alterations to Land categorical exemption (CEQA California Code of Regulations, Title 14, Section 15304) because the proposed activity consists of trenching activities to construct the gravity distribution system for the septic tank and monitoring well and does not involve removal of healthy, mature, scenic trees. Further, none of the exceptions to the exemption in CEQA California Code of Regulations, Title 14, Section 15300.2 apply.
