Project Title: Naval Base San Diego (aka Naval Station San Diego) Building 3458 Hazardous Waste Facility Class 1* Permit Modification

Project Location: Building 3458 at the northeast corner of 12th Street and Kidd Street, Naval Base San Diego, San Diego, CA 92136

County San Diego County

Project Applicant: United States Department of the Navy, Commander, Navy Region Southwest

Approval Action Under Consideration by DTSC: Permit Modification

Statutory Authority: California Health and Safety Code, Division 20, Chapter 6.5

Project Description: Approval of a Hazardous Waste Facility (HWF) Class 1* Permit Modification by the Department of Toxic Substances Control (DTSC) pursuant to California Code of Regulations, Title 22, Section 66270.42. The Permit Modification authorizes a change in the Operator of the HWF and updates the names of the contacts on the Emergency Coordinators list contained in the Contingency Plan and the Emergency Procedures section of the Part B Hazardous Waste Facility Permit Application.

Background: On June 13, 2022, the Operator of Naval Base San Diego changed from Noreas Environmental Service (NES), LLC to APTIM Federal Services, LLC as the result of asset transfers. All previous Permit requirements will remain in effect. The Facility will continue operating under the current Permit, which is modified to reflect the name of the new Operator.

Project Activities: The name of the HWF Operator has changed and there is an update to the names of contacts on the Emergency Coordinators List.

Name of Public Agency Approving Project: Department of Toxic Substances Control

Name of Person or Agency Carrying Out Project: Naval Base San Diego

Exempt Status: Categorical Exemption: [CCR Title 14 Sec. 15301]

Reasons Why Project is Exempt: DTSC has determined none of the exceptions to the categorical exemptions apply to this project, as described in Public Resources Code Section 21084(c), (d), and (e), and 14 CCR Section 15300.2. The Permit Modification is consistent with the operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of existing public or private structure, involving negligible or no expansion of existing or former use.

The administrative record for this project is available to the public by appointment at the following location:
