RE: 2023110670 Request to Replace the IS-MND

Dear Sir/Madam:

On November 18, 2023, the Metropolitan Transportation Commission (MTC) published an Initial Study – Mitigated Negative Declaration (IS-MND) and the associated appendices for the State Route 29 Improvements at Rutherford Road and Oakville Cross Road Intersections (Project) on CEQAnet for public review. Pursuant to California Government Code Sections 6254.10 and 6254(r); and California Code of Regulation Section 15120(d), the Metropolitan Transportation Commission (MTC) in consultation with California Department of Transportation Office of Cultural Studies determined that the Cultural Resource Review Memorandum (Appendix D) should be removed from the IS-MND for public circulation.

With this letter, MTC requests that the State Clearing House replace the current published IS-MND with the attached version and remove Appendix D – Cultural Resource Review Memorandum from CEQAnet. All other attachments to the IS-MND remain unchanged.

Should you have any questions or need additional information, please call me at (510) 326-2831 or email at isupit@bayareametro.gov.

Sincerely,
DocuSigned by:

Ingrid V. Supit
Principal Engineer – Capital Project
Delivery
