**SUBJECT:** Filing of Notice of Determination in compliance with Section 21152 of the Public Resources Code

**State Clearinghouse Number:** 2023110732

**Project Title:** Demolition of the Flint Center, Utilities, and Associated Work

**Project Applicant:** Foothill-De Anza Community College District

**Project Location:** Cupertino; Santa Clara County

**Project Description:** The Foothill-De Anza Community College District will demolish the Flint Center for the Performing Arts (Flint Center) at De Anza College and complete site stabilization to ensure appropriate drainage and erosion control.

The project site is located at 21250 Stevens Creek Boulevard, Cupertino, CA, 95014. The Flint Center consists of approximately 84,200 square feet; it is an approximately 2,400-seat venue that originally opened in 1971 and was used for college and community events until 2019. FHDA suspended programming for the Flint Center beginning in mid-2019 because of structural safety concerns. The project will demolish the structure and complete site stabilization measures including landscaping with native grasses for erosion control and installation of stormwater infrastructure and fencing.

This is to advise that the Foothill-De Anza Community College District, as Lead Agency, has approved the above described project on February 27, 2024 and has made the following determinations regarding this project:

1. The project will not have a significant effect on the environment.
2. A Mitigated Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation Measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was not adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the Mitigated Negative Declaration and record of project approval is available to the General Public on the Foothill-De Anza Community College District's website at:
