The Yuba County DRC will consider the following:

CEQA-23-0011 (Star Bend Boat Ramp Restoration Project): Yuba County Public Work's Department is requesting an Environmental Assessment to remove the built up sediment in the existing concrete boat ramp along the Feather River at the Star Bend Boat Ramp facility in southern Yuba County. Yuba County intends to dredge the Star Bend Boat Ramp to restore the existing boat ramp channel. It is anticipated the dredging will remove approximately 2000 cubic yards of material. Maximum excavation is estimated to be approximately nine and a half feet deep with an average removal depth of four feet. The proposed dredging will occur in a small portion of the roughly nine-acre boat ramp facility located at 2034 Feather River Boulevard in the Arboga Community (APNs: 016-010-017-000, 016-010-019-000, and 016-060-046-000).

The DRC will be considering adoption of a Mitigated Negative Declaration pursuant to the California Environmental Quality Act. The public comment period for the Mitigated Negative Declarations is December 4, 2023 to January 2, 2024.

Any person wishing to testify on the above projects may attend the DRC by teleconference via Zoom at the prescribed time, or may submit written comments or objections to the Community Development and Services Agency at 915 8th Street, Suite 123, Marysville, CA 95901, prior to the hearing. Copies of the staff recommendations are available for inspection at the same address. If you have any questions, you may contact Ciara Fisher at (530) 749-5470.

The DRC's action on the project may be appealed by any interested person to the Board of Supervisors by filing a written appeal with the Planning Department within 10 days following the DRC's final action on the project. If the Board of Supervisors is the final Approving Authority, or if the project is appealed to the Board, the Board's action is final.

If you challenge the action of the DRC on this matter in court, pursuant to Government Code section 65009 you may be limited to raising only those issues you or someone else raised at the Public Hearing described in this notice, or in written correspondence delivered to the Planning Department at, or prior to the hearing.
