

## **ATTACHMENT: Present Land Use/Zoning/General Plan Designation**

Based on the *City of Victorville General Plan 2030* (General Plan) and *City of Victorville Zoning Map* (Zoning Map), the project site includes multiple land use and zoning designations due to the large number of maintenance facilities proposed for the project. Land use designations and zoning on-site include, but are not limited to, Commercial (zoning: C-1, C-2, and CM); High Density, Medium Density, Low Density, and Very Low Density Residential (zoning: R-1 through R-4, and MDR); Light and Heavy Industrial (zoning: M-1 through M-2, and IPD); Open Space; Office Professional (zoning: C-A); and a variety of Specific Plan designations (zoning: SP).
