

**CITY OF ORLAND  
PLANNING COMMISSION MEETING  
NOTICE OF INTENT TO ADOPT A MITIGATED NEGATIVE DECLARATION  
TO SATISFY CEQA FOR THE ROAD M ½ REHABILITATION AND RECONSTRUCTION PROJECT**

NOTICE IS HEREBY GIVEN that the Planning Commission of the City of Orland will hold a public hearing in the Carnegie Center, 912 Third Street, to consider the following actions:

**Public Hearing: Mitigated Negative Declaration (MND) – Road M ½ Rehabilitation and Reconstruction Project. Applicant: City of Orland.** A public hearing will be held to consider the adoption of an Initial Study/ Mitigated Negative Declaration (IS/MND) prepared for the proposed Road M ½ Rehabilitation and Reconstruction Project. The proposed project would rehab/reconstruct an existing segment of Road M ½ within the City of Orland. The 1.0-linear-acre Project would include the partial demolition and reconstruction of an existing 2-lane segment of roadway, the installation or replacement of utilities underground, storm drain infrastructure, and new curb, gutter, and sidewalk on the west side. A new three-sided full-span pre-cast box culvert crossing would be constructed to widen the existing Lateral 40 canal crossing to a full 2-lane width.

The project's potential environmental impacts were assessed, based on the CEQA Guidelines, and in November of 2023 a DRAFT Initial Study and Mitigated Negative Declaration was prepared and its adoption is the subject of this hearing.

The public is invited to review and comment on these matters. Detailed information on the above-described IS/MND is available for public review between the hours of 9:00 am and 4:30 pm Monday through Friday at the front counter of Orland City Hall at 815 Fourth Street, Orland, CA. The public is also invited to attend the public hearing to be held at the Carnegie Center, 912 Third Street. If you have any questions or comments, or wish to review the proposed items, please contact Jennifer Schmitke, City Clerk, Orland City Hall, 815 Fourth Street, Orland, CA 95963, or by telephoning the Planning Department at (530) 865-1608.
