Present Land Use/Zoning/General Plan Designation:

Land Use: Adopted Plan (Residential; Open Space Recreational), Low-Density Residential/Zoning: Residential Single Unit, Recreational Facility Low, Residential Estate 5 acres

Project Description: (please use a separate page if necessary)

The proposed park would provide active recreational opportunities (e.g., lighted ball fields, a dog park, playgrounds, a tot lot, volleyball courts, bocce courts, and a sensory garden) and ancillary facilities (e.g., restrooms, a shade and barbeque area, a maintenance yard, and parking) on the west side of the project site. The area surrounding Bass Lake (more centrally located within the site) would provide passive uses, such as multi-use trails and bird blinds, as well as a multi-use event center, while the east side of the project area would provide a nature educational center and outdoor educational facility, an outdoor amphitheater and garden, and an access road and parking.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
