Notice of Intent to Adopt a MITIGATED NEGATIVE DECLARATION and OPPORTUNITY FOR a VIRTUAL PUBLIC HEARING

(Study Results Available)

Marina to Castroville Capital Preventive Maintenance

Do you want a virtual public hearing on changes proposed for State Route 1 in Monterey County?

Comments will be accepted from January 17 to February 16, 2024.

If there are no major comments or requests for a hearing, Caltrans will proceed with the project's design.

WHAT IS BEING PLANNED?

The California Department of Transportation (Caltrans) proposes to preserve 22.2 lane miles of Class 2 pavement, pave beyond gore areas, rehabilitate one drainage system, replace traffic management system elements, conduct lighting rehabilitation, build bicycle and pedestrian infrastructure, and upgrade guardrails to the Manual for Assessing Safety Hardware (MASH) standards. The proposed project is located on State Route 1 in Monterey County, from 0.28 mile south of the South Marina Overhead (44-211L) to the State Route 1/156 Junction. The project area is an approximately 5.88-mile section of State Route 1. At this location, State Route 1 is a four-to-six-lane access-controlled freeway consisting of 12-foot-wide travel lanes with paved shoulders that vary from 5 to 10 feet in width.

WHY THIS PUBLIC NOTICE?

Caltrans has studied the effects this project may have on the environment. Our studies show the project will not significantly affect the quality of the environment. The report that explains why is called an Initial Study with Proposed Mitigated Negative Declaration. This notice is to inform you of the preparation of the Initial Study with Proposed Mitigated Negative Declaration and of its availability for you to read and comment on. This notice also offers you an opportunity to request a virtual public hearing.

WHAT'S AVAILABLE?

The Initial Study with Proposed Mitigated Negative Declaration and other project information is available for review and copying at the Caltrans District 5 Office at 50 Higuera Street, San Luis Obispo, California 93401, on weekdays from 8:00 a.m. to 5:00 p.m. The document is also available online on the Caltrans District 5 project page: <https://dot.ca.gov/caltrans-near-me/district-5/district-5-current-projects/05-1n160> Paper copies of the document can be provided upon request.
