NOTICE

NOTICE OF INTENT TO ADOPT A MITIGATED NEGATIVE DECLARATION
Distribution Date: 1/5/2024

As authorized by the City of Santa Clara as a Lead Agency, the City hereby provides a **30-day public review period** for a Mitigated Negative Declaration (MND) prepared pursuant to the California Environmental Quality Act (CEQA).

Project title: Intel Central Utility Building Project
Files: PLN22-00495
Location: 3065 Bowers Avenue
Applicant: John Schwarz
Owner: Intel International
Request: Use Permit, Architectural Review, and Adoption of a Mitigated Negative Declaration to redevelop the approximately 1.3-acre project site with a 17,000 square-foot Central Utility Building.

CEQA DETERMINATION

A Draft Initial Study and Mitigated Negative Declaration was completed in accordance with CEQA, and is available for review on the City's website at www.santaclaraca.gov/CEQA and at the Central Park Library at 2635 Homestead Road. Based upon the Initial Study, **the project will not have a significant effect on the environment** because there is either no impact or mitigation measures have been incorporated into the project through design changes or through conditions of approval that will reduce potential impacts to a less-than-significant level.

PUBLIC COMMENT PERIOD

Comments may be filed with the City in response to the preparation of the MND, within the 30-day review period between **Friday, January 5, 2024 and Monday, February 5, 2024**, pursuant to Section 15073 of the CEQA Guidelines. Responses received in writing on or before the date of review or verbally at the time of the review of this project will be considered along with the proposed MND. If you wish to respond, please send your comments no later than 5:00 PM on **Monday, February 5, 2024** to:
