Educational Facilities/PS-CC; Public and Semi-Public Zone/Civic Center Combining Zone

Project Description: *(please use a separate page if necessary)*

The proposed housing project would be planned in two buildings connected by a covered glass-walled bridge and with 164 parking spaces that would be located in the temporary lot east of the baseball field (Lot G). One building would be three stories in height and the other would be four stories in height. New recreational courts would be added by NOCCCD with District funding. The goal of this project is to provide safe, on-campus, affordable student housing for low-income students attending Cypress College full-time.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
