ACTIVITY/PROJECT TITLE: Safe Ground Approval

ACTIVITY/PROJECT LOCATION: 3900 Roseville Road, Sacramento; APN 240-0330-005

City: Sacramento

County: Sacramento

Description of activity at site: The proposed project would use the existing asphalt parking lot and adjacent grass area for safe ground activities. One site design will deploy approximately 55 pallet homes and approximately 45 RV/travel trailers in the initial phase of operation, in which tents may serve as overflow options. An existing structure on the site will be used as a warming shelter, and will include sinks, showers, and restrooms.

Electricity will initially be connected to the RV/travel trailer(s), not the guest pallet homes. The City anticipates collaboration with the local utility provider for assistance with the electrification of the pallet homes and travel trailers.

Exempt status: Common sense exemption CEQA Guidelines section 15061(b)(3)

Reason for exemption: The action includes minor improvements to a developed site, with negligible ground disturbance. The site is served with public utilities and services. The City can determine with certainty that no significant effects would occur.
