Categorical Exemption

Big Bend Road (7M01) Slide Repair

The following project has been determined not to have a significant effect on the environment and is classified as Categorically Exempt as outlined in Article 19 of the Regulations for Implementation of the California Environmental Quality Act of 1970 which has been promulgated pursuant to Section 21084 of the Public Resources Code.

The project falls under Class 1, Existing facilities which includes repair, maintenance, or minor alteration of existing public facilities including streets, highways, sidewalks, gutters, and bicycle and pedestrian trails.

Description of Project

The work consists, in general, reconstruction of the roadway to repair damage caused by a slide below the roadway on a portion of Big Bend Road (County Road No. 7M01) approximately 12.3 miles north of the intersection with State Highway 299. The reconstruction of the roadway will involve the removal of unsuitable slide material, construction of reinforced buttress fills, reconstruction of pre-existing vehicle travel lanes and roadway shoulder, guardrail installation, roadside signs, and thermoplastic traffic striping. The reconstructed roadway will serve the same purpose with no increase in capacity.
