

NOTICE OF INTENT TO ADOPT A MITIGATED NEGATIVE DECLARATION

The Board of Directors of the Lindsay-Strathmore Irrigation District hereby gives notice, pursuant to California Public Resources Code section 21092, that it intends to adopt a Mitigated Negative Declaration with respect to a proposed project.

Project Title	Tonyville Water Distribution System Rehabilitation and Reliability Project
Project Description	The Project consists of the installation of approximately 5,700 linear feet of 8-inch diameter water pipeline, water services and fire hydrants to replace the existing water distribution system in the unincorporated community of Tonyville. The Project also includes an emergency standby engine generator to be installed at the District's surface water treatment plant that serves the water system.
Project Location	Section 30, T19S R21E, Mount Diablo Base and Meridian as shown on attached map.
Determination of Impacts	The project is not anticipated to have any long-term negative environmental impacts. Short-term construction related potential impacts will be mitigated to a less than significant level by use of construction specifications requiring proper and defined mitigation measures.

The Initial Study of the environmental impact for the proposed project indicates that the proposed project will have no significant effect on the environment.

The public review of this matter shall be deemed to have begun January 9, 2024. The last day for the public review period shall be deemed to be February 13, 2024. During the public review period, copies of the proposed Mitigated Negative Declaration may be obtained at the office of the Lindsay-Strathmore Irrigation District. The District will receive written comments on the proposed Mitigated Negative Declaration during the public review period. Comments should be sent to the address indicated on this notice and to the attention of Craig Wallace, General Manager.

A public hearing on the adoption of the proposed Mitigated Negative Declaration will occur during the Board of Directors meeting of the Lindsay-Strathmore Irrigation District, scheduled to commence at 2:00p.m. on Tuesday, February 13, 2024, at its office located at the noted address.
