Project Title: Dry Creek Trail Phase II Project

2024010313	Liz Bellas	(916) 875-5925
State Clearinghouse Number	Lead Agency Contact Person	Area Code/Telephone

Project Location (include county): Dry Creek Trail Phase II is located in the unincorporated communities of Rio Linda, Elverta, and Antelope, north of the city of Sacramento, within Sacramento County.

Project Description: The project consists of two new trail segments, at the north and south ends, respectively, of the existing Dry Creek Parkway Trail. The northern segment would include construction of approximately 2.6 miles of paved Class I multi-use trail, stretching from the Cherry Island Sports Complex at 28th and U Streets northward to the Placer County line in Gibson Ranch Park. The southern segment would include construction of 0.7 mile of paved Class I multi-use trail connecting the Sacramento Northern Bikeway Trail to the existing Dry Creek Bikeway Trail along Dry Creek Road. An equestrian trail runs parallel for the entirety of the segments. The proposed project also includes crossing signals, roadway striping, signage, and construction of four bridges. The County Regional Parks Department intends to demolish the single-family home, barn, and abandon the associated septic system at 2592 Elverta Road, in compliance with applicable demolition and closure laws, and incorporate the property into the Dry Creek Parkway.

This is to advise that the California Transportation Commission has approved the above-described
