Re: Corrected NOD – Arvin CAPM Project 06-0Y150

Please find a corrected Notice of Determination (NOD) attached to this letter. The previous NOD that was electronically submitted to the State Clearinghouse and posted on May 21, 2024, had an error under item "6. Findings". The error has been corrected in the attached NOD. It now indicates "Findings were not made pursuant to the provisions of CEQA."

The project remains the same. It would improve State Route 223 in Kern County in the City of Arvin from 0.1 mile west of Comanche Drive to 0.1 mile east of King Street. Improvements would include resurfacing the highway and constructing Americans with Disabilities Act-compliant (ADA) curb ramps and Complete Streets elements, including enhancing the visibility of existing crosswalks, rehabilitating crosswalks, installing new crosswalks, installing missing sidewalk segments, installing bulb-outs, and adding rapid rectangular flashing beacon systems with lighting and a pedestrian hybrid beacon system and lighting.

Please post the corrected NOD in place of the current NOD on your CEQAnet site.

Thank you for your assistance. If you have any questions, please contact me at (559) 320-6045.

Sincerely,

A handwritten signature in blue ink that reads "William 'Trais' Norris, AIA".

Trais Norris, Branch Chief  
Senior Environmental Planner
