Project Title: LAFCO File No. 2-S-23 |Cambria Community Services District Municipal Service Review and Sphere of Influence Study

Project Location: Cambria Community Services District (CCSD) is located in the northwestern portion San Luis Obispo County.

Description of Nature, Purpose, & Beneficiaries of Project: The Local Agency Formation Commission (LAFCO) has prepared a Sphere of Influence (SOI) Study and Municipal Service Review (MSR) for the Cambria Community Services District pursuant to Government Code § 56425 and § 56430. The SOI is a 20-year growth boundary that includes areas that may be served by the District in the future. State law requires the MSR to be completed either prior to or concurrent with, the SOI study. The MSR evaluates the public services provided by the District and is used as the basis for any changes to the SOI. The Commission took action to reaffirm the district's SOI as depicted in Exhibit C of Attachment A of the LAFCO January 18, 2024, staff report found on the LAFCO website at <https://slo.lafco.ca.gov/>, and establishing that the active services provided by the district are water, wastewater, fire protection, solid waste, parks & recreation, and street lighting and deeming all remaining powers not already mentioned as latent pursuant to government code § 56425 (i).

Name of Public Agency Approving Project: The San Luis Obispo County LAFCO conducted a noticed public hearing on January 18, 2024, at 9:00 a.m. in the Board of Supervisors Chambers in San Luis Obispo at the County Government Center. Additional information is available on the LAFCO website at <https://slo.lafco.ca.gov/>.

Reasons Why Project is Exempt: It has been determined with certainty that the MSR is categorically exempt under Class 6, Section 15306 and the MSR & SOI qualifies for a general rule exemption under Section 15061(b)(3). There is no possibility that this MSR and SOI update may have a significant effect on the environment because there are no land use changes associated with the documents; therefore, the CCSD MSR & SOI Study is found to be exempt from CEQA pursuant to section 15061(b)(3) and section 15306 of the State Guidelines. LAFCO will file this Notice of Exemption upon approval of the MSR and SOI Study.
