Project Title: Permit No. 19647 - Millie Private, Recreational Dock

Project Applicant (if any): William Millie and Jennifer Porter

Project Location/Address/City/County: The project is located approximately 2 miles south of the community of Courtland, approximately 263 feet downstream from the junction with Steamboat Slough, in Sacramento County.

Description of Nature, Purpose, and Beneficiaries of Project: To install a 60-foot by 29-foot private boat dock which includes: a 40-foot by 25-foot covered boat slip canopy; 15-foot by 40-foot boat slip; 20-foot by 29-foot angular dock landing bench; and a 60-foot by 4-foot aluminum gangway anchored by a 5-foot by 5-foot concrete landing with a 12-inch pile and handrails on the waterside embankment bank. The dock will anchor on five 12-inch steel piles and will include a debris diverter that consists of four 16-inch diameter steel piles anchoring a pair of 52-foot floating steel pontoons.

Public Agency Approving Project: Central Valley Flood Protection Board (Board)

Public Agency/Person Carrying Out Project: William Millie and Jennifer Porter

Exempt Status:

- Ministerial (Sec. 21080(b)(1); 15268);
- Declared Emergency (Sec. 21080(b)(3); 15269(a));
- Emergency Project (Sec. 21080(b)(4); 15269(b)(c));
- Common Sense Exemption (CEQA Sec 15061(b)(3))
- Categorical Exemption. State type and section number: § 15303, 15304
- Statutory Exemption. State code number: _____

Reasons Why Project is Exempt:

The Board has determined the project is exempt from CEQA under the Class 3, New Construction or Conversion of Small Structures categorical exemption (CEQA California Code of Regulations (CCR), Title 14, Section 15303) because the proposed activity consists of the installation of a private boat dock, an aluminum gangway supported by a concrete landing, and a debris diverter. The project is also exempt under the Class 4, Minor Alterations to Land categorical exemption (CEQA CCR, Title 14, Section 15304) because the proposed activity consists of the construction of the concrete landing pad on the edge of the levee crown and does not involve the removal healthy, mature, scenic trees. Further, none of the exceptions to the exemption in CEQA CCR, Title 14, Section 15300.2 apply.
