Project Title: Guest Dock Replacement Project by Bali Hai

Project Location – Specific: 2230 Shelter Island Drive, San Diego, CA 92106

Project location – City: San Diego

Project Location – County: San Diego

Description of Nature, Purpose, and Beneficiaries of Project: The proposed project would involve the removal and replacement of an existing guest dock by Shelter Island Inc. dba Bali Hai Restaurant (Applicant) in the city of San Diego, California. Work to specifically complete the proposed project would involve the in-kind replacement of an existing "L"-shaped floating dock measuring approximately 104 feet in length, 10.58' in width with the main walk 84 feet in length by 9.58' in width and secured by 12 piles. The existing dock piles and gangway would remain in place. The proposed project would also involve the replacement of eight (8) existing light pedestals and one (1) existing fire hose box. All utilities would need to be reconnected and run internally between the concrete deck structure and the float system following replacement of the floating dock.

Construction of the proposed project is anticipated to occur in Winter 2024 and would take approximately six (6) weeks to complete, with ongoing maintenance as needed. The prefabricated dock float would be assembled in the Shelter Island Boat Launch Facility parking lot and installed by launching the new float sections of the dock into the water. Similarly, all existing dock floats would be removed at the Shelter Island Boat Launch ramp and disposed of accordingly. Project staging would occur in the Shelter Island Boat Launch Facility parking lot and approximately 12 parking spaces would be temporarily utilized during construction. No ADA or boat trailer stalls shall be used for project staging, and the project staging area shall not extend beyond the stall lines as to not obstruct boat trailer or vehicular traffic.

Name of Public Agency Approving Project: San Diego Unified Port District (SDUPD)

Name of Person or Agency Carrying Out Project: Tom Baumann, Vice President, Shelter Island Inc., 2230 Shelter Island Drive, San Diego, CA 92106; (619) 222-1181

Exempt Status: (Check one):

- Ministerial (Sec. 21080(b)(1); 15268);
- Declared Emergency (Sec. 21080(b)(3); 15269(a));
- Emergency Project (Sec. 21080(b)(4); 15269(b)(c));
- Categorical Exemptions: Existing Facilities (SG § 15301) (Class 1) and Replacement or Reconstruction (SG § 15302) (Class 2)**
- Statutory Exemption. State code number:

Reason Why Project is Exempt: The proposed project is determined to be Categorically Exempt pursuant to California Environmental Quality Act (CEQA) Guidelines Sections 15301 (Existing Facilities) and 15302 (Replacement or Reconstruction) and Sections 3.a.(1) and 3.b.(1) of the District's Guidelines for Compliance with CEQA because it would consist of the in-kind replacement of an existing dock floating structure that would involve a negligible expansion of use beyond that previously existing and the new structure would be located on the same site as the structure replaced. Sections 3.a.(1) and 3.b.(1) of the District's CEQA Guidelines are as follows:

3.a. Existing Facilities: Includes operation, repair, maintenance, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of use beyond that previously existing, including but not limited to:

- (1) Repair, maintenance or minor alteration of existing mooring facilities, floats, piers, piles, wharves, bulkhead, revetment, buoys, or similar structures; marine terminal facilities; airport facilities; and commercial industrial, or recreational facilities.

AND/OR

3.b. Replacement or Reconstruction: Includes replacement or reconstruction of existing structures and facilities where the new structure will be located on the same site and will have substantially the same purpose and capacity as the structure being replaced. This exemption includes, but is not limited to:

- (1) Replacement or reconstruction of mooring facilities, piles, floats, piers, wharves, marine ways, bulkhead, revetment, buoys, or similar structures where the new structure will be on essentially the same site as the structure replaced and will have substantially the same size, purpose and capacity as the structure replaced.
