Project Title: Geotechnical Explorations Along the Sacramento River Right Bank Levee in Knights Landing

Project Location – Specific: Approximately 1/2 mile east of the community of Knights Landing along the Sacramento River Right Bank Levee and areas immediately adjacent.

Project Location – City/County: Knights Landing/Yolo County

Description of nature and purpose of the Project: Yolo County is proposing geotechnical explorations east of the community of Knights Landing along the Sacramento River Right Bank Levee to investigate seepage deficiencies. The geotechnical explorations are a preparatory action that is necessary to obtain data in order to identify appropriate measures to remediate seepage deficiencies in the area.

Name of Public Agency Approving Project: Yolo County

Name of Person or Agency Carrying Out Project: Yolo County

Exempt Status: Categorical Exemption: 15304 – Minor Alterations to Land; 15306 – Information Collection

Reasons why project is exempt: Yolo County finds that the Project activities fall within the Section 15304, Minor Alterations to Land, Class 4 and Section 15306, Information Collection, Class 6 exemptions. The Project involves a limited number of minor, temporary, and localized alterations in the condition of land and vegetation for the purposes of data collection, with no removal of any healthy, mature, scenic trees and no serious or major disturbance to any environmental resource. None of the exceptions set forth in Section 15300.2 of the CEQA Guidelines apply. As a result, the proposed Project is categorically exempt from CEQA.
