Description of Activity:

Santa Clarita Valley Water Agency (SCV Water) enter into an enter into a License Agreement with LASMSA, a California limited partnership d/b/a Verizon Wireless for access to APNs 2812-009-903, 2812-009-904, and 2812-009-902.

Exempt Status:

- Ministerial
- Declared Emergency
- Emergency Project
- Categorical Exemption
- Statutory Exemption
- Other:** CEQA Guidelines Section 15061(b)(3) – Common sense exemption

Reasons why activity is exempt:

SCV Water finds that the License Agreement is exempt from environmental review under the California Environmental Quality (CEQA) pursuant to CEQA Guidelines section 15061(b)(3), the "common sense" exemption, which provides that CEQA applies only to projects that have the potential for causing a significant effect on the environment. Here, SCV Water finds the License Agreement exempt from CEQA as "it can be seen with certainty that there is no possibility that the activity in question" as it only permits access to an SCVWA Access Road for continued operation of a Wireless Facility, and so will have no "significant effect on the environment."
