Public Notice of Intent to adopt a Mitigated Negative Declaration for Permit to Construct a Source of Hazardous Air Emissions

This serves as the notice of intent to adopt a Mitigated Negative Declaration for a permit application for *Lakeside Colonial Chapel*, located at 830 D Street in Marysville in accordance with California Code of Regulations, title 14, section 15105. The Feather River Air Quality Management District (FRAQMD) has received an application for an Authority to Construct/Permit to Operate to increase cremations from 500 per year to 1,000 per year. The FRAQMD prepared an Initial Study which found that with mitigation incorporated the project would not have a significant effect on the environment and has prepared a Mitigated Negative Declaration. The documents are available for public review at the FRAQMD office: 541 Washington Avenue, Yuba City, and on the FRAQMD website: <https://www.fraqmd.org/public-notices>.

In addition, the FRAQMD is accepting public comments on the permit application in accordance with California Health and Safety Code 42301.6.

The public review and comment period for both actions will begin February 1, 2024, and end on March 4, 2024. **All written comments must be received on or before March 4, 2024.** Please address written comments to:

Christopher D. Brown AICP - Air Pollution Control Officer
