This is to advise that the County of San Diego Director of Department of General Services has approved the above-described project on February 8, 2024, and found the project to be exempt from the CEQA under the following criteria:

Exempt status and applicable section of the CEQA ("C") and/or State CEQA Guidelines ("G"): (check only one)

- Declared Emergency [C 21080(b)(3); G 15269(a)]
- Emergency Project [C 21080(b)(4); G 15269(b)(c)]
- Statutory Exemption. C Section:
- Categorical Exemption. G Section(s): 15301 Existing Facilities
- G 15182 – Residential Projects Pursuant to a Specific Plan
- Activity is exempt from the CEQA because it is not a project as defined in Section 15378.
- G 15061(b)(3) - It can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment and the activity is not subject to the CEQA.

Statement of reasons why project is exempt:

The License Agreement between the County of San Diego and San Diego County Flood Control District is categorically exempt from CEQA pursuant to section 15301 Existing Facilities since it involves issuing a license for use of existing communications equipment building and radio tower with no expansion of the existing or former use. Additionally, the project will not impact environmental resources of hazardous or critical concern that are designated, precisely mapped and officially adopted by government agencies; does not contribute to cumulative environmental impacts; will not have a significant impact on the environment due to unusual circumstances; does not damage scenic resources within a designated state scenic highway; and is not on the list of Hazardous Waste and Substance Sites pursuant to Section 65962.5 of Government Code.

The following is to be filled in only upon formal project approval by the appropriate County of San Diego decision-making body.
