Project Title: South Sacramento Sidewalk Gap Closure Project

2024020627	Kevin Messerschmitt	(916) 874-7941
State Clearinghouse Number	Lead Agency Contact Person	Area Code/Telephone

Project Location (include county): The project is located at five separate locations: Location 1, from 8101 Lemon Cove Court to 8141 Stevenson Avenue, including the intersection of Power Inn Road and Stevenson Avenue; Location 2, along the western boundary of a parcel on the corner of Power Inn Road and Elsie Avenue; Location 3, from 7901 Elsie Avenue to 8011 Elsie Avenue; Location 4, from 8431 Stevenson Avenue to Cottonwood Lane continuing north to Middlesax Way, including the intersection of Stevenson Avenue and Elegante Way; and Location 5, from 7923 Cottonwood Lane to 7859 Cottonwood Lane. The project is located in the unincorporated community of South Sacramento in Sacramento County.

Project Description: The project would modify several roadways in South Sacramento to connect existing sidewalks, improve drainages, and install Americans with Disabilities Act (ADA) ramps. Although the project is adding to the right-of-way, it will not result in any additional vehicle lanes and therefore would not increase vehicular capacity. The project will promote multi-modal accessibility and safety by improving pedestrian, bicycle, and public transit facilities. The maximum depth of construction is expected to be eight feet.

This is to advise that the California Transportation Commission has approved the above-described
